In this workshop, you will learn how to express the persona of the *Bint el Balad* (Baladi woman). Shekhinah will guide you through interpretation of the wonderfully expressive music of this particular genre. We will explore structure of the music to which the dancer improvises. We will also focus on technique and motifs that you can use to interpret the Baladi music.

Shekhinah will supply notes and a list of music resources. Bring a veil and a scarf.
